	<b><u>Website</u></b> Minutes from meetings to be accepted and posted on the website in future.
	<b><u>Constitution</u></b> To be reviewed by John Taynton and Melissa La Spina
	<b><u>Review of 2010 Off-Road Queensland State Titles</u></b> It was well run by Chargers Scrutineering did not check the induction of motors Rules stated that the starts would be video recorded but this did not happen AARCMCC rules were not followed precisely. Disappointing that there was not more representation by ORCCA but Paul Selomovic and John Taynton attended. Numbers were down on previous years. No reason given for the drop in numbers.

**Short Course Truck Rules**

Demonstration class only.  
Draft rules have been set.  
Need to encourage people to race them and give us feedback.  
Standard sizing is causing an issue.  
To be discussed further with Paul at the next meeting.

**540 Masters & Novice Rules**

2<sup>nd</sup> Place getter in 540 can still race in the novice class.

**Name change of the Association**

To be discussed with John Taynton at the next meeting.

**ORRCA Qld Rules**

Rules are being updated and amended.  
We are to ask members for comments.

**Entry Fees for Events**

Agreed that the entry fees for ORRCA events should all be the same.  
John Hansen to make templates for all ORRCA State Title Events.

**Gas Tourer Format**

To be discussed with John Taynton at the next meeting.

**Expression of Interest for Old Electric On-Road State Titles**

Sunshine Coast Radio Controlled Car Club Inc has confirmed their expression of interest in hosting this event.  
They are concerned that their new drivers' stand will not be completed in time.  
If this is the case then the Bayside Radio Controlled Car Club Inc is prepared to write a letter of support confirming that SCRCCC can host the event at the BRCCC Track.  
Gary Sturdy moved that a time frame be set of 1 month before the event. If not ready, the event will be moved to the BRCCC.  
Event will be held in the last weekend in September 2010 and will be a 2/3 day event.  
Need set of On-Road Rules at least 3 months before.  
Nomination Forms are to be set up in the next week.  
Application to be sent to AARCMCC for sanctioning of the event.  
SCRCCC to fill in and lodge the form to host the event.  
Require names of Race Director, Time Keeper, Scrutineering, etc

**ORRCA Title Events**

Technical Rules and Formats need to be reviewed.

**Regional Clubs**

Club secretary is to develop and improve relationships with the regional clubs.  
After clubs hold their AGMs we will require their updated contact details.

**Junior Encouragement**

ORRCA feels that there is not enough Juniors to hold a separate event. However, ORRCA will support any club that promotes such an event.
